Standing in line to see the show tonight  
And there's a light on, heavy glow  
By the way, I tried to say, I'd be there Waiting for  
Dani, the girl is singing songs to me Beneath the marquee, overload  
Steak Knife, Card Shark Con Job, Boot Cut  
Skin that flick She's such a little DJ  
Get there quick By street but not the freeway  
Turn that trick  
To make a little leeway  
Beat that nic But not the way that we play  
Dog Town, Blood Bath Rib Cage, Soft Tail  
Standing in line to see the show tonight  
And there's a light on, heavy glow  
By the way, I tried to say, I'd be there Waiting for  
Black Jack, Dope Dick Pawn Shop, Quick Pick  
Kiss that Dyke  
I know you want to hold one  
Not on strike But I'm about to bowl one  
Bite that mic I know you never stole one Girls that like A story, so I told one  
Song Bird, Main Line Cash Back, Hard Top  
Standing in line to see the show tonight  
And there's a light on, heavy glow  
By the way, I tried to say, I'd be there  
Waiting for Dani, the girl is singing songs to me  
Beneath the marquee of her soul  
By the way, I tried to say, I'd be there Waiting for

[Incomprehensible]

Standing in line to see the show tonight  
And there's a light on, heavy glow  
By the way, I tried to say, I'd be there Waiting for  
Dani, the girl is singing songs to me  
Beneath the marquee of her soul  
By the way, I tried to say, I know you From before  
Standing in line to see the show tonight  
And there's a light on, heavy glow  
By the way, I tried to say, I'd be there Waiting for

## **'Crazy' – Seal**

In a church, by the face,  
He talks about the people going under.  
Only child know...

A man decides after seventy years,  
That what he goes there for, is to unlock the door.  
While those around him criticize and sleep...  
And through a fractal on a breaking wall,  
I see you my friend, and touch your face again.  
Miracles will happen as we trip.

But we're never gonna survive, unless...  
We get a little crazy  
No we're never gonna survive, unless...  
We are a little...  
Cray...cray...cray...

Crazy yellow people walking through my head.  
One of them's got a gun, to shoot the other one.  
And yet together they were friends at school  
Ohh, get it, get it, get it, get it no no!

If all were there when we first took the pill,  
Then maybe, then maybe, then maybe, then maybe...  
Miracles will happen as we speak.

But we're never gonna survive unless...  
We get a little crazy.  
No we're never gonna survive unless...  
We are a little...  
Crazy...  
No no, never survive, unless we get a little... bit...

Oh, a little bit...  
Oh, a little bit...  
Oh...  
Oh...

Amanda decides to go along after seventeen years...

Oh darlin...  
In a sky full of people, only some want to fly,  
Isn't that crazy?  
In a world full of people, only some want to fly,  
Isn't that crazy?  
Crazy...  
In a heaven of people there's only some want to fly,  
Ain't that crazy?  
Oh babe... oh darlin...  
In a world full of people there's only some want to fly,  
Isn't that crazy?  
Isn't that crazy... isn't that crazy... isn't that crazy...

Ohh...  
But we're never gonna survive unless, we get a little crazy.. crazy...  
No we're never gonna to survive unless we are a little... crazy...  
But we're never gonna survive unless, we get a little crazy.. crazy...  
No we're never gonna to survive unless, we are a little.. crazy...  
No no, never survive unless, we get a little bit...

And then you see things  
The size  
Of which you've never known before

They'll break it  
Someday...  
Only child know...

Them things  
The size  
Of which you've never known before

Someday...  
Someway...  
Someday...  
Someway...  
Someday...  
Someway...  
Someday...

## **'Freak like Me' - Sugarbabes**

Let me lay it on the line  
I got a little freakiness inside  
And you know that a man has gotta deal with it  
I don't care what they say  
I'm not about to pay nobody's way  
'Cos it's all about the dark in me (mmm)

Im gonna freak in the morning  
Freak in the evening  
Just like me  
I need a rough neck brother that can satisfy me  
Just for me  
If you are the kind of man  
'Cos I'm the kind of girl  
I've gotta freaky secret everybody sing  
'Cos we don't give a damn about a thing

'Cos I will be a freak until the day  
Until the dawn  
And we can (boom-boom) all through the night  
To the early morn  
Come on and I'll take you around the hood  
On a gangster lean  
'Cos we can (boom-boom) any time of day  
It's all good for me

Boy you're moving kinda slow  
You gotta keep it up now  
There you go  
That's just one thing that a man must do (ooh ooh)  
I'm packing all the flavours that you need  
I got you shock up on your knees  
'Cos it's all about the dark in me, yeh-yeah  
I wanna freak in the morning  
Freak in the evening  
Just like me  
I need a rough neck brother that can satisfy me  
Just for me  
If you are the kind of man  
'Cos I'm the kind of girl  
I've gotta freaky secret everybody sing

'Cos we don't give a damn about a thing

'Cos I will be a freak until the day  
Until the dawn (freak like me boom boom  
And we can (boom-boom) all through the night  
To the early morn, (you bring out the freak)  
Come on and I'll take you around the hood  
On a gangster lean (take you around the hood)  
'Cos we can (boom-boom) any time of day  
It's all good for me,

Good for me

Am gonna freak in the morning  
Freak in the evening, Just like me  
Am gonna freak in the the morning

I need a rough neck brother that can satisfy me  
Just for me

Good for me

Freak like meeeeeee

(Fades out)

## **'I won't give up' – Jason Mraz**

When I look into your eyes It's like watching the night sky  
Or a beautiful sunrise Well there's so much they hold And just like them old stars I  
see that you've come so far To be right where you are How old is your soul?

I won't give up on us Even if the skies get rough I'm giving you all my love I'm still  
looking up  
And when you're needing your space To do some navigating I'll be here patiently  
waiting To see what you find  
'Cause even the stars they burn Some even fall to the earth We've got a lot to learn  
God knows we're worth it No, i won't give up

I don't wanna be someone who walks away so easily  
I'm here to stay and make the difference that i can make  
Our differences they do a lot to teach us how to use the tools and gifts  
We got yeah we got a lot at stake  
And in the end, you're still my friend at least we did intend  
For us to work we didn't break, we didn't burn We had to learn, how to bend without  
the world caving in I had to learn what i got, and what i'm not And who i am  
I won't give up on us  
Even if the skies get rough I'm giving you all my love I'm still looking up I'm still  
looking up

I won't give up (No I'm not) on us (Giving up) God knows i'm tough (I am tough), he  
knows (I am loved) We got a lot (We're alive) to learn (We are loved) God knows  
we're worth it (And we're worth it)  
I won't give up on us Even if the skies get rough I'm giving you all my love I'm still  
looking up

There used to be a greying tower alone on the sea.  
You became the light on the dark side of me.  
Love remained a drug that's the high and not the pill.

But did you know,  
That when it snows,  
My eyes become large and,  
The light that you shine can be seen.

Baby,  
I might compare you to a kiss from a rose on the grey.  
kiss from a rose on the grey.

Ooh,  
The more i get of you,  
Ooh...

Stranger it feels, yeah. (I)  
And now that your rose is in bloom. (I)  
A light hits the gloom on the grey. (I)

To me you're like a growing addiction that i can't deny... yeah. (I)  
Won't you tell me is that healthy, baby?

But did you know,

## **'Shangri-la' – The Kinks**

Now that you've found your paradise  
This is your Kingdom to command  
You can go outside and polish your car  
Or sit by the fire in your Shangri-la  
Here is your reward for working so hard  
Gone are the lavatories in the back yard  
Gone are the days when you dreamed of that car  
You just want to sit in your Shangri-la

Put on your slippers and sit by the fire  
You've reached your top and you just can't get any higher  
You're in your place and you know where you are  
In your Shangri-la  
Sit back in your old rocking chair  
You need not worry, you need not care  
You can't go anywhere  
Shangri-la, Shangri-la, Shangri-la

The little man who gets the train  
Got a mortgage hanging over his head  
But he's too scared to complain  
'Cos he's conditioned that way  
Time goes by and he pays off his debts  
Got a TV set and a radio  
For seven shillings a week  
Shangri-la, Shangri-la, Shangri-la, Shangri-la, Shangri-la, Shangri-la

And all the houses in the street have got a name  
'Cos all the houses in the street they look the same  
Same chimney pots, same little cars, same window panes  
The neighbors call to tell you things that you should know  
They say their lines, they drink their tea, and then they go  
They tell your business in another Shangri-la  
The gas bills and the water rates, and payments on the car  
Too scared to think about how insecure you are  
Life ain't so happy in your little Shangri-la  
Shangri-la, Shangri-la la-la-la-la-la-la-la-la

Put on your slippers and sit by the fire  
You've reached your top and you just can't get any higher  
You're in your place and you know where you are  
In your Shangri-la  
Sit back in your old rocking chair  
You need not worry, you need not care  
You can't go anywhere  
Shangri-la, Shangri-la, Shangri-la, Shangri-la, Shangri-la, Shangri-la

## **‘Stand And Deliver’ – Adam & the Ants**

I'm the dandy highwayman who you're too scared to mention  
I spend my cash on looking flash and grabbing your attention  
The devil take your stereo and your record collection!  
The way you look you'll qualify for next year's old age pension!

Stand and deliver your money or your life!  
Try and use a mirror no bullet or a knife!

I'm the dandy highwayman so sick of easy fashion  
The clumsy boots, peek-a-boo roots that people think so dashing  
So what's the point of robbery when nothing is worth taking?  
It's kind of tough to tell a scruff the big mistake he's making

Stand and deliver your money or your life!  
Try and use a mirror no bullet or a knife!

And even though you fool your souls  
Your conscience will be mine  
All mine

We're the dandy highwaymen so tired of excuses  
Of deep meaning philosophies where only showbiz loses  
We're the dandy highwaymen and here's our invitation  
Throw your safety overboard and join our insect nation

Stand and deliver your money or your life!  
Try and use a mirror no bullet or a knife!

And even though you fool your souls  
Your conscience will be mine, all mine

Da diddley qa qa da diddley qa qa  
Da diddley qa qa da diddley qa qa

Stand and deliver your money or your life!  
Stand and deliver your money or your life!...

## **'The Edge Of Glory' – Lady Gaga**

There ain't no reason you and me should be alone  
Tonight, yeah, baby! (Tonight, yeah, baby!)  
And I got a reason that you're who should take me home tonight (Tonight)  
I need a man that thinks it's right when it's so wrong  
Tonight, yeah, baby! (Tonight, yeah, baby!)  
Right on the limits where we know we both belong tonight

[Bridge:]

It's hard to feel the rush, to push the dangerous  
I'm gonna run right to, to the edge with you  
Where we can both fall over in love

[Chorus:]

I'm on the edge of glory, and I'm hanging on a moment of truth  
Out on the edge of glory, and I'm hanging on a moment with you  
I'm on the edge, the edge, the edge, the edge, the edge, the edge, the edge,  
I'm on the edge of glory, and I'm hanging on a moment with you  
I'm on the edge with you.

Another shot before we kiss the other side  
Tonight, yeah, baby! (Tonight, yeah, baby!)  
I'm on the edge of something final we call life tonight  
(Alright! Alright!)  
Put on your shades, 'cause I'll be dancing in the flames  
Tonight, yeah, baby! (Tonight, yeah, baby!)  
It isn't hell if everybody knows my name tonight  
(Alright! Alright!)

[Bridge:]

It's hard to feel the rush, to brush the dangerous  
I'm gonna run right to, to the edge with you  
Where we can both fall over in love

[Chorus:]

I'm on the edge of glory, and I'm hanging on a moment of truth  
Out on the edge of glory, and I'm hanging on a moment with you  
I'm on the edge, the edge, the edge, the edge, the edge, the edge, the edge,  
I'm on the edge of glory, and I'm hanging on a moment with you  
I'm on the edge with you.

I'm on the edge with you  
I'm on the edge with you  
(You, you, you...)

[Solo saxophone]

[Chorus:]

I'm on the edge of glory, and I'm hanging on a moment of truth  
I'm on the edge of glory, and I'm hanging on a moment with you  
I'm on the edge, the edge, the edge, the edge, the edge, the edge, the edge,  
I'm on the edge of glory, and I'm hanging on a moment with you  
I'm on the edge with you (with you, with you, with you, with you, with you)

## **'Waking Up In Vegas' – Katy Perry**

You gotta help me out  
It's all a blur last night  
We need a taxi 'cause you're hung-over and I'm broke  
I lost my fake id but you lost the motel key  
Spare me your freakin' dirty looks  
Now don't play me  
You want to cash out and get the hell out of town

### **CHORUS:**

Don't be a baby  
Remember what you told me  
Shut up and put your money where your mouth is  
That's what you get for waking up in Vegas  
Get up and shake the glitter off your clothes, now  
That's what you get for waking up in Vegas

Why are these lights so bright  
did we get hitched last night, dressed up like Elvis,  
And why am I wearing your class ring?  
Don't call your mother  
'Cause now we're partners in crime

### **CHORUS:**

Don't be a baby  
Remember what you told me  
Shut up and put your money where your mouth is  
That's what you get for waking up in Vegas  
Get up and shake the glitter off your clothes, now  
That's what you get for waking up in Vegas

You got me into this  
Information overload, situation lost control  
Send out an S.O.S.  
And get some cash out  
We're gonna tear up the town

Don't be a baby  
Remember what you told me (x3)  
Told me, told me, told me

Shut up and put your money where your mouth is  
That's what you get for waking up in Vegas  
Get up and shake the glitter off your clothes, now  
That's what you get for waking up in Vegas  
That's what you get

Shake the glitter, shake, shake, shake the glitter  
Give me some cash out baby  
Give me some cash out baby
